Subject: Chevron Pipeline Company (CPL) Sunol Site Update
Date: Monday, September 15, 2008 10:59:04 AM

Jerry, we are continuing to make progress on the CPL Sunol site. Our latest monthly update will be delayed. You may not know, but our CPL project manager lives and works in the Houston, TX area. Due to the hurricane impacts we are running behind in his review of the monthly update. We will forward it to you as soon as we have approval from CPL. Thanks for you patience.

Joe
