Barbara,

I am writing in reference to your letter to Nicholas Molnar and Raymond & Grace Yu dated February 3, 2012 regarding the above referenced site. As I mentioned in our telephone conversation last week, the APA Fund is in the process of obtaining funds to develop and sample groundwater monitoring wells at this site. Therefore, we are requesting an extension to the February 29, 2012 date requested in the letter. We are hoping to sample by March 15th and will notify you when the sampling is scheduled.

Thank you.
