Simon,

The previously submitted List of Landowners Form is sufficient. We will mail a copy of the public closure notification to Tesoro.

Station No. 049 located at 3400 San Pablo Avenue, Oakland, CA (Fuel Leak Case No. RO0000004), it is my understanding that we are not required to submit the "List of Landowners Form" which was attached to the Alameda County Health Care Services (ACHCS) letter, dated December 3, 2013. As I mentioned during our conversation, an executed List of Landowners Form was submitted to the ACHCS on April 29, 2013 and identified Thrifty Oil Co. as the sole owner of the above-mentioned property (see attached document).
