Peter,

Let's use the dates that monitoring reports were previously submitted of February 15 and August 15.

Jerry,

ACEH's July 25, 2011 letter requests groundwater monitoring reports on February 10 and July 10, 2012. Previously we have submitted reports on February 15 and August 15. If you want to move the date from the 15th to the 10th, that's fine, but it should be August instead of July.

Regards,

Peter Schaefer, CEG, CHG
