Jerry,

ACEH's March 28, 2012 letter gave a due date for the second quarter 2012 groundwater monitoring report of July 10, 2012 which, based on previous correspondence, should be due August 15, 2012. I request that we return to the original schedule, with the second quarter 2012 groundwater monitoring report due August 15, 2012. Thank you.
