(Case #: RO0000007)

Dear Mr. Detterman,

On behalf of Chevron Environmental Management Company (Chevron), Stantec Consulting Services Inc. (Stantec) respectfully requests an extension to complete the Soil and Groundwater Investigation Report for former Chevron-branded service station 90504, which is located at 15900 Hesperian Boulevard, San Lorenzo, Alameda County, California (the Site). In a letter dated October 30, 2014, Alameda County Environmental Health (ACEH) requested a Soil and Groundwater Investigation Report with a due date of January 9, 2015.

Additional time is needed due to logistical issues and to obtain the necessary permits. Therefore, Stantec respectfully requests that an extension be granted for the Soil and Groundwater Investigation Report to be submitted to ACEH by March 27, 2015.

Regards,
