Subject: Former Texaco station, 3101 35th Ave, Oakland

Leroy,

A former Texaco station operated at 3101 35th Ave (corner of 35th and School St.) in Oakland. Does the Oakland Fire Department have any record of tank removal for this facility? I'm not sure when the station stopped operating, but Texaco sold the property in 1982.

Thank you,
Keith Nowell
