Re: Fuel Leak Case #RO0000017, Former Ingersoll Rand Equipment & Services, 1944 Marina Boulevard, San Leandro, California

Dear Mr. Plunkett:

Ingersoll Rand is in receipt of your letter dated July 14, 2008 regarding the former Ingersoll Rand Equipment & Services ("IRES") facility located at 1944 Marina Boulevard in San Leandro, California. We never received your letter because it was sent to an Ingersoll Rand address that no longer is in operation. However, a copy of your letter was forwarded to us by a third party on June 14, 2009.

AB Volvo ("Volvo") purchased the former IRES business, including this location, through an Asset and Stock Purchase Agreement between Ingersoll-Rand Company Limited and AB Volvo dated February 27, 2007. Pursuant to this Agreement, Volvo assumed responsibility for the current and former environmental matters related to the San Leandro, California site. Therefore, Volvo should be contacted regarding the above referenced matter.

The contacts at Volvo regarding this matter are included below.

Edvard Carleson
Vice President & General Counsel
Volvo Construction Equipment
Avenue du Hunderenveld 10
BE-1082 Brussels, Belgium
Tel: +32 2 4 82 50 92
