Dear Ms. Costanza and Mr. Cheitlan:

Subject: SLIC Case RO0000018 & Global ID T0600100262, Carnation Dairy,
1310 14th St., Oakland, CA, 94607

Pursuant to conversations with you and our office, we will be transferring the oversight of the subject site from the Local Oversight Program (LOP) to the Spills, Leaks, Investigations and Cleanup (SLIC) program. In order to continue to provide regulatory oversight we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$ 12000.00. Please send your check to the attention of our Finance Department.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Alameda County General Code, Title 6 Health and Safety, Section 6.92.040L, Environmental health service fees. Work on this project is being debited at the Ordinance specified rate, currently \$173.00 per hour.

Please write "SLIC" (the type of project), the site address and RO0000018 on your check.

If you have any questions, please contact me at (510) 567-6777.

Sincerely,

Ariu Levi
