Ken,

Donna Drogos and I are available to meet on Wednesday, January 2nd in the am. Will this work for you?

By now, you should have received ACEH's response to Nestle's petition for case closure as well as Nestle correspondence dated December 17, 2007. Both documents briefly discuss the issue of the site into two regulatory cases.

Mr. Wickham, now that we have submitted our response to your directive letter, I am hoping we can schedule a meeting with you to discuss that response and specifically our request for confirmation that the case affects only the deed restricted property. We have interested parties who are anxious to proceed with the long-awaited redevelopment of the balance of the property. We are available as soon as possible at your convenience. Thanks.
 Ken
