Fuel Leak Case No. RO0000018 – Alameda County Health Care Services
Geotracker Global ID TO600100262
Carnation Dairy, 1310 14th Street, Oakland, CA 94607

Dear Mr. Lockwood:

We are requesting that the case closure petition for the subject site be placed in abeyance until further notice.

Nestlé USA, Inc. and Environmental Cost Management, Inc. (ECM) are working with the lead oversight agency, Alameda County Environmental Health (ACEH), on this project. Currently we are waiting for a response to ECM's Supplemental Soil, Soil Gas, and Groundwater Investigation Report dated July 23, 2008.

Very truly yours,

Noelia Martí-Colón
