Jennifer,

You are correct. Nestle should submit one check in the amount of \$3,500. The August 15 letter takes into account the separation of cases and supersedes the previous request.

Jerry - regarding the two letters regarding oversight fees in the above referenced matter, (August 1 and 15, 2008) - do I correctly understand that Nestle should send one check in the amount of \$3,500 to be current?

We had begun processing a check for \$1,500 consistent with the Aug. 1, 2008 letter, but I think the Aug. 15 letter overrides the prior correspondence. Is my understanding correct?

Thank you.
