Paresh,

I had to get our client a copy of the agenda to review and approve, it is included below. Ruben Byerley from Yellow Freight would like to phone into the meeting if that is possible. Myself and Gary Messerotes will be attending the meeting in person.

Looking forward to meeting next week.

Agenda for Meeting with Alameda County Environmental Health Local Oversight Program

Goal: To discuss the Roadway Express Site, located at 1708 Wood Street, and to review the scope for the upcoming site investigation to ensure that any potential concerns are covered.

- Summary of previous assessments and current site conditions
- Proposed Workplan for further Site Assessment:
 - Geophysical survey (Clear boring locations, locate USTs abandoned in-place, identify utility corridors)
 - On-Site Borings
 - Off-Site Borings
 - Soil and groundwater sample collection
 - Proposed analysis
- Neighboring Sites

Paresh,

No worries, how about Tuesday March 18th in the morning, 9:30am? This should work out with our schedule, I have a meeting at 11:30am that day and I am out on the 20th.

Hello Patrick,

It seems that next week works for me, but Donna Drogos is out of the office. The dates that work for Donna are Tuesday morning on March 18 or Thursday afternoon on March 20. Please let me know if one of these dates work for you.

I apologize for any inconvenience this may have caused.

Sincerely,

3/11/2008

Hi Paresh,

I am working on putting together an agenda for our meeting on Tuesday but I wanted to confirm a time for us to meet. Does 11am work for you? The meeting should take less than an hour.

Thank you,
