Christine,

I have reviewed the recently provided documents and, in my opinion, the case is eligible for closure. I will be meeting with my supervisor, Ms. Dilan Roe, to discuss the site and make my formal presentation for closure. This meeting will occur within the next three weeks, within the 60-day review period.

Respectfully,
Keith Nowell

Hi Keith,

I've been assigned the above mentioned site for Closure Denial Review. I was wondering if you have gotten a chance to review the Sensitive Receptor Survey Report submitted by the RP and when you thought you would have a response to the Request for Closure; as I don't want to review the Site until you have an official response on file. Thank you for your time.

Christine
