Re: Fuel Leak Case ROOOOO041
1225 Mandela Parkway
Oakland, CA 94607

Dear Mr. Wickham:

Thank you for meeting with me and subsequently eliminating the monitoring wells recommended by Golden Gate Tank Removal, Inc. from the current work plan. You have my promise that I will fully cooperate with the cleanup of this site, and it is my sincere hope that closure of this site can be accomplished as soon as possible.

Also, I appreciate your effort in promptly replying to me about your decision. I know that you have a heavy workload.

Sincerely yours,

Thomas O. Gillis
