Paresh,

We had previously requested a meeting with you back in October 2009 regarding further action at the former Mandela Trucking site at 1225 Mandela Parkway, Oakland, CA, in response to your letter of September 17, 2009. However, due to financial issues, our client declined to further pursue the matter at that time. Our client, Mr. Tom Gillis, would now like to meet with you to discuss further corrective action and a path to achieve closure at the site. We would appreciate very much if you could let us know when you may be available for a discussion with AllWest and our client. We apologize for the delay.

Thanks,

Leonard Niles, P.G., C.H.G.

Dear Mr. Khatri,

Sorry for my late response to your voice mail regarding our request for a meeting about the Mandela site. I have been out of the office the last couple weeks. Would it be possible to arrange a meeting for next week for you, I and our client?

Dear Mr. Khatri,

At the request of our client, Mr. Thomas Gillis, we would like to request a meeting to discuss the scope of remedial alternatives in the Feasibility Study/Corrective Action Plan requested in your letter of September 17, 2009 for the former Mandela Trucking site at 1225 Mandela Parkway, Oakland, CA.

Additionally we would like to discuss the requested quarterly groundwater monitoring schedule versus the semi-annual schedule recently authorized by the SWRCB in your letter of July 24, 2009. Please let us know if you would be available for a meeting with our client and us.

Thank You,
