Brenda,

The extension to May 3, 2018 for report submittal has been approved. We have not received responses from other RPs. I expect they are in contact with Chevron's Carryl MacLeod.

Regards,
Keith Nowell

Keith:

Thank you for the attached due date extension approval. I just noticed an error in the extension date. We were requesting that the current due date of April 19 be extended by two weeks, which would have been to May 3. But I made the mistake of referencing the date of April 26 (which was two weeks from the date of my request, rather than two weeks from the April 19 due date). Would you be so kind to amend the extension to a due date of May 3? Also, have you had any response from the other named RPs (Tran et al.)?

Sincerely,
