Thanks Mark – It doesn't look the signed form was attached, though.

Thanks for doing this!

Godson,

Here's the signed DWR form. I've modified it to ¼ mile. Chevron may still want a larger diameter, but we don't believe it warranted.

Please be aware that Alameda County Public Works (<http://www.acgov.org/pwa/programs/well/>) also maintains well records and there is just enough difference to make it interesting. Please use the link to download their (very similar) form and send it my way for a signature.

Thanks,
