Mr. Detterman

I am requesting an extension for the work plan submittal you requested in your letter dated December 15, 2011. ARCADIS would like a new submittal date of March 17 in order to do a complete review of historical documents to understand the needs you requested, specifically the need for sub slab vapor sampling and to be able to allow for the client's review.

Additionally, if it would not be too much trouble, please include ARCADIS on the CC list and remove Conestoga-Rovers & Associates from the distribution list since we are not the consultants for Chevron on this case.

Please contact me if you have any questions. I appreciate your patients regarding this matter.
