Mark,

The public notifications have been mailed in accordance with your letter to Rockwood Christie dated October 21, 2013. Attached is a personal certification of public notification as we discussed on Monday. Also attached is a completed List of Landowners Form.

Both documents will be uploaded to ACEH's ftp site, and also to GeoTracker.

I understand that today is the start of the 60-day public comment period. Please let me know if I am mistaken, or if you need anything else from me or Rockwood Christie at this time.

Thank you for your continuing help to move this case to closure.

Rob
