Duration: 20 minutes

Mr. Sascha Shamzad called about the site. He needs a closure letter to refinance. The last letter written from the county requested a deed restriction and said a closure letter would be issued after this. The deed restriction is not in our files and no closure letter was issued. I told him that ACEH will have to review the site to today's standards and determine if and what additional work is needed unless he can produce the deed restriction and closure letter.
