Dear Mr. Shelton,

At this time, I have not reviewed the work plan and extension request you submitted. However, your request to postpone the submittal of the FS/CAP until after the work plan is implemented so that data collected can be incorporated to the FS/CAP is acceptable.

Sincerely,

Paresh C. Khatri

Subject: BP #11126, 1700 Powell Street, Emeryville, CA - ACEH case RO0000066

Hello Mr. Khatri,

Stantec submitted the attached *Work Plan for Additional Assessment and Extension Request* for the subject site above on June 1, 2009. The document was submitted in response to an ACEHD letter dated April 2, 2009, in which a revised FS/CAP was also requested. As stated in the Work Plan, we requested an extension to the July 2, 2009 submittal date for the FS/CAP, so that data collected during the additional assessment may be used to provide a more current picture of the residual concentrations onsite. Please let me know if you have had time to consider the extension request.

Thank you,

Brad Shelton, P.G.
