Hi Paresh-

The attached directive 2010-09-02 states that the Soil & Water Investigation Report is due December 1, 2010. We have taken the steps to implement the work plan; however, due to the drillers schedule we were not able to arrange the implementation until November 1 and 2, 2010. This being the case, we would like to request an extension for the due date of the Soil & Water Investigation Report to January 1, 2011.

Please let me know if you have any questions.

Thank you

Kelli
