Thanks Claude; that should be enough information. It basically confirms my thoughts and understanding based on maps I found on the Envirostor site.  
Thanks for the time and effort.

Hi Mark-

I have reviewed the deed restriction and it looks like the southern boundary of the Emeryville Marketplace site is the portion of the Shellmound Way Street that goes east and west. The deed restriction area also includes the Woodfin Suite Hotel. If have anymore question you contact tomorrow at anytime after 9:00. I will not be in the office after 1:00 today.
