Subject: RE: ftp upload - Oakland Bus Terminal, RO#0000074
Attachments: 2009 July 1379 GLI Oak Cumm GWMR Tables for ACEH use.xls

A groundwater monitoring report has been uploaded to the ACGOV/ACEH ftp site. Please let me know if this process has not occurred properly.

Paresh,
The related .xls file is attached.

When do think a response will be ready in relation to the SCM, previous monitoring reports and the Soil Investigation Workplan will be complete?

Also, the contact person for Greyhound has changed to:

Todd Bachand
Environmental Manager
First Group America
600 Vine Street
Cincinnati, OH 45202
(513) 241-2200

Thank you,

Trent Ripley
