Dear Frederic:

Please work with Barbara Jakub (510/639-1287) directly on this issue. We previously did not receive a complete citation for the applicable guidance with the appendix mentioned below. You have legitimate questions Barbara is in a better position to answer than I.

Please cc us on any correspondence on this issue.

Sincerely,

Mark Jonas

Mark,

The "Tri-Regional Guidelines" that you attached below do not contain appendices nor the section quoted by Barbara below. Nor does the section quoted by Barbara say anything about a perjury statement. It speaks only of a cover letter signed by the RP expressing argument or disagreement with the technical report. Please send me all of the missing appendices to the Tri-Regional Guidelines.

The "Perjury Statement" excerpt also attached to your email does mention a cover letter from the RP under penalty of perjury. Please send me a copy of the entire document where that excerpt came from.

Thanks.

It's in Appendix A Section 2.0, 1.

2.0 REPORTING RECOMMENDATIONS AND LEGAL REQUIREMENTS

General report recommendations are as follows:

1. By submitting a report or work plan to the Local Implementing Agency (LIA) and the Regional Board, the discharger acknowledges the statement of facts, conclusions, and recommendations included in the report or work plan. A cover letter, signed by the responsible party(s), should accompany all reports and workplans expressing argument or disagreement with the contents.

Subject: Perjury Statement

Dear Barbara:

Our client, Frederic Schrag for Nady Trust, wants to know the driver for the requirement for a perjury statement. We looked in the Tri-Regional guidance, as requested, but did not identify a perjury statement requirement. If possible, please attempt to find the driver for the perjury statement ACEH requires.

I hope is going well with you and ACEH.

Sincerely,

Mark Jonas

Dear Ms. Jakub,
In our meeting with Frederic Schrag, representing the Nady Trust for FLC # RO0000082, you had mentioned that the client must sign a Perjury Statement. Mr. Schrag would like to know if this is an ACEH policy requirement or is it Alameda County law. If it is law, he would like to review the legal citation. He would also like to know what constitutes a "legally authorized representative." Frederic is a lawyer and is very particular about these issues.

Also, since we do not have a recent letter from ACEH on this project, please provide us with an electronic version of the text under "Perjury Statement" typically found in more recent ACEH agency letters.

Thank you for your time

Sincerely,
Erin Reinhart-Koylu
