Dear Mr. Helfant and Ms. Wadsworth:

Re: Request for Signed Access Agreement, SECOND REQUEST
1137- 1167 65th Street, Oakland, California 94608
Agency Case No. RO0000082

On behalf of Mr. John Nady (Nady, Trustee of the Nady Trust), Conestoga-Rovers & Associates (CRA) is submitting the attached access agreement to you for your approval. Alameda County Environmental Health has directed CRA to collect soil and groundwater samples on your property at 1172 Ocean Avenue in conjunction with environmental work at the 1137-1167 65th Street property. Before we can collect these samples, we must have a signed access agreement between you and Nady. After this access agreement is signed, CRA will schedule and drill a small diameter boring to collect the samples.

CRA is sending a second request for an access agreement because the first request, dated March 20, 2009, was denied. A copy of the March 20, 2009 correspondence is included. Please note that CRA is requesting access only to the northern portion of your property that is fenced off from the house and which is accessible from Peabody Lane. The drilling work should be completed in one day, and any impact to your property should be minimal.

Please sign both copies of the attached access agreement. Please send both copies back in the enclosed self-addressed envelope. CRA will then have both copies signed by the property owner, Mr. John Nady, and send one back to you for your records.

If you would like to discuss this request, please contact Michael Werner at (510) 420-3358. You are also welcome to contact Barbara Jakub with Alameda County Environmental Health at (510) 567-6700.

Yours truly,
CONESTOGA-ROVERS & ASSOCIATES

Michael Werner
