Phone call with Bruce Bauer 510-261-5954 ext 116 regarding status of case. Case has been inactive and he has received a letter regarding Geotracker and claiming case. I indicated that entire case file would need to be reviewed prior to giving direction on next step for case. I expect to review the case at some time several months from now based on current priorities. If site will go through redevelopment or other changes, I encouraged him to let me know so that case could get a higher priority for review.
