Subject: Notice of Enforcement Referral; Fuel Leak Case No. RO0000089 and GeoTracker Global ID T0600102250, Guy's Service Station, 3820 San Leandro St., Oakland, CA 94601

Dear Mr. Hill:

This is a notice of an enforcement referral for the subject site. This site has accumulated a series of enforcement actions culminating in Alameda County District Attorney and Superior Court injunctions. Site Responsible Parties are non-responsive to Alameda County Environmental Health (ACEH) requests and are recalcitrant. As a consequence, ACEH is referring this site to the San Francisco Bay Regional Water Quality Control Board for enforcement actions.

Not all historic documents for the fuel leak case may be available on GeoTracker. A more complete historic case file for this site is located on the Alameda County Environmental Health website at: <http://ehgis.acgov.org/dehpublic/dehpublic.jsp>.

Should you have any questions, please send me an electronic mail message at karel.detterman@acgov.org or contact me at (510) 567-6708.

Sincerely,

Karel Detterman, P.G.
Hazardous Materials Specialist
