Hello Brent,

So far, I have had only one person call regarding the proposed excavation. His concerns were more related to the magnitude of the proposed excavation and not really for or against the proposed remedial alternative. Anyway, other than that, no comments have been received.

Sincerely,

Hi Paresh,

Have any written comments been received from the 30-day public review period of our 10/27/09 FS/CAP for the subject property? If so, please provide approximate date they will be forwarded to Mr. Tracy.

Thank you,

Brent
