Mr. Boer,

Thank you for your letter of February 19, 2015 on behalf of the Kelly-Moore Paint Company. I've been in training for several days and am playing catch up, so have not spoken to Tom Fojut yet, but he did call.

Please use this email to document ACEH concurrence with the requested schedule extension for the submittal of the Site Conceptual Model and a Data Gap Work Plan (the later is presumed) by May 15, 2015. The inclusion of the groundwater data appears useful and appropriate. I will update Geotracker shortly.
