Importance: High

Hi Mark,

I am writing in response to the ACEH's directive letter dated November 7, 2013 requesting a soil and groundwater investigation report and path to closure schedule on January 17, 2013.

ARCADIS will start to prepare for field work at this site and obtain all necessary permits, etc. However, due to the City of Oakland's Holiday Restricted Streets Special Provision, work cannot be performed from October 31 through January 2. The areas of Seminary Road and MacArthur Boulevard where ARCADIS needs access are listed on the City's restricted list. Therefore, we are requesting an extension from January 17 to March 30.

I called and left you a voice mail this morning. Please feel free to call me as well. Thank you for your time.

Sincerely,
Toni DeMayo
