Mr. Tran,

Please click on this link and open up this page. http://www.swrcb.ca.gov/ust/electronic_submittal/report_rqmts.shtml
Click on the Electronic Submittal link at the top of the page (near Arnold Schwarzenegger's picture). Go down to the Getting started area and click on login or request a password. You print out the Authorized RP agent Authorization form and send that in as instructed on the page. That is sent in to the state water quality control board, not Alameda County but you can send us a copy for confirmation purposes.

Sorry about placing the wrong phone number on the letter. If you need to call me my phone number is listed below.
Regards,

Dear Ms. Jakub,

I received your notice of violation dated July 24, 2009 for case No RO0000131- with directives for me to claim the site.

1. I have recently went to the site www.geotracker.waterboards.ca.gov as well as last month to claim. However the website indicated that there is no address found for this. Can you please show me what to do.

2. I tried calling your telephone # (510)639-1279 as listed in you letter, but recording indicated that # is not in service.

I await your response.
