Subject: RE: City of Paris workplans

Dear Ms. Pyatt, Ms. Champion-Craig and Ms. Satterley,
Please prepare a work plan to investigate the downgradient extent of the plume by May 29, 2012 and a pilot test work plan by July 31, 2012.
Regards,

Barbara Jakub, P.G.

Hi Barb,

As we discussed today, we would like to determine the western boundary of the plume on Adeline Street and we can put together a work plan for that in short order once we get the go ahead.

With your agreement, we can also get a pilot test work plan put together.

Take care! :)

Ellen.
