Mehrdad,

ACEH has not received any comments on the CAP so you may implement the CAP at this time.

Hi Barb-

I understood from our most recent phone discussion that the public review period for the Draft CAP for the above-referenced site would end on Feb. 16th, 2012. Since that is a couple of days away, may I ask if you've received any substantive comments and whether you expect the Draft CAP to be final without any revisions?

Thanks in advance  
Mehrdad
