Subject: RO138 (Former Chevron 9-0517, 3900 Piedmont, Oakland) - WP Extension request

Hi Mark,

Regarding the RO138 site, we have a due date of this Friday 5/27 for submission of a work plan. However, after further discussion here, we've had a slight change of heart as to what we want to do out here. Thus, the existing version will require some re-vamping. As such, would an extension to 6/15 be acceptable to ACEH for submission of the WP? If you could let me know I'd appreciate it. Thanks.

Sincerely,

James P. Kiernan, P.E.
