James,

Thanks for the reminder call. Your approach seems reasonable, please use this email to document ACEH concurrence with the extension. I'll update Geotracker shortly.

Subject: RO138 (Former Chevron 9-0517, 3900 Piedmont Ave) - WP Addendum Extension Request

Hey Mark,

Per your 3/28/12 letter, there is a due date of 5/18/12 for submittal of a WP addendum as well as the preferential pathway update. I was wondering if perhaps we could have a little more time to submit this information. We were finally able to sample MW-1 for waste-oil constituents last week and would like to see those results in case additional work may be needed, and submit everything in one fell swoop. If so, would 6/15 be acceptable? Let me know. Thanks.

Sincerely,

James P. Kiernan, P.E.
