Duration: 0 hours

8/23/07, 527p, Bob Clark-Ridell, 435-8664
reports submitted... rest of message garbled & unintelligible

8/28/07/, 125p
in mid july, got through planning commission
schedule development, 10/15/07 break ground
He is proposing to build & occupy site, cleanup would be underway for 2-3 years while occupied & then verification
monitoring to see if cleanup effective.

Told him this was not reasonable. Site characterization incomplete, no CAP, no cleanup, cannot approve construction
1.5 months away. Site not cleaned & does not meet residential standards.
