Dear Mr. Nair:

The public comment period for the subject site ended on August 23, 2014. No comments were received by Alameda County Environmental Health (ACEH).

The City of Oakland is free to proceed with the destruction of all wells associated with the site (groundwater, vapor, etc), as requested in the attached June 16, 2014 letter from ACEH. As requested in the letter, please contact the Alameda County Public Works Agency to obtain well destruction permits.

TECHNICAL REPORT REQUEST

Please upload technical reports to the ACEH ftp site (Attention: Mark Detterman), and to the State Water Resources Control Board's Geotracker website, in accordance with the specified file naming convention below, according to the following schedule:

- **December 12, 2014** – Well Destruction Report (including Waste Disposal Documentation)
File to be named RO141_WELL_DCM_R_yyyy-mm-dd

These reports are being requested pursuant to California Health and Safety Code Section 25296.10. 23 CCR Sections 2652 through 2654, and 2721 through 2728 outline the responsibilities of a responsible party in response to an unauthorized release from a petroleum UST system, and require your compliance with this request.

Online case files are available for review at the following website: <http://www.acgov.org/aceh/index.htm>.

Should you have questions, please let me know.
