Hi Donna and Steven,

Thanks for meeting today, it was great to have a dialog on 1633 Harrison St., and I think it was a very productive meeting. As I mentioned in the meeting, attached are the HUD requirements from their award letter, Section Q being of primary interest for Alameda County Health Services. In Section Q, items 1 and 2 being critical as to how they specifically relate to ACHS and the RAP. Items 3 and 4 being critical in the sense that the NEPA Review needs to be completed in order for us to proceed with those items. If a draft of a letter to meet these HUD requirements can be sent out by Friday that would be greatly appreciated. Thanks,

Karl
