Peter:

Sampling soil vapor probes during the fourth quarter 2009 consistent with the semiannual groundwater monitoring schedule is acceptable.

Jerry,

Please confirm that CRA's proposal to move soil vapor sampling to the fourth quarter of 2009 as proposed in our August 3, 2009 *GROUNDWATER MONITORING REPORT – SECOND QUARTER 2009* is acceptable. ACEH's November 6, 2008 letter requested soil vapor monitoring during the first and third quarters of 2009. The first quarter 2009 soil vapor monitoring event was completed, and our request to revise schedule for the second event was based on the semiannual groundwater monitoring schedule for the site. Thank you.
