Dear Mr. Wickham :

Thanks you for your email of 11/23/11 which provided instructions on how to access the case file from the County Website.

I have retained a professional to access the website so we can down load the information pertaining to **Case RO0000148**. Following your instructions, after clicking on the

Link to ACEH website: <http://www.acgov.org/aceh/index.htm> , we are told we will see LOP records , which we could not see , thus precluding access to the records.

As such , the instructions you provided are not adequate to access the information we need to make a proper evaluation of the leak. Since time is of the essence , I am requesting that you clarify the process so we can access the records.
Thank you for your cooperation.

Sincerely

B. Chakravartula
