Yola,
I've extended the due date to on Geotracker August 28, 2015 for the report. Let me know if you'll need any additional time.

Hi Mark,

I received your voicemail, thanks for trying your best with the apartment owner. We weren't hopeful but it was worth a shot. We will be talking with our client this week. I believe we will need a 30-day extension for the Site Investigation Report that is due on July 24, 2015.

We'll keep you up to speed on our progress and definitely give 72-hour notice before we head out into the field.

Thanks for your help!
