Hi Yola,

Per your request and our telephone call yesterday afternoon it appears reasonable to extend the due date to March 17, 2017. The additional time may allow some resolution as the an appropriate path forward. Should it be needed, you can use this email to document the extension approval.

**Subject:** Extension request for 1700 Jefferson in Oakland

Hi Mark,

The owner is in preliminary discussions with a potential buyer for the property at 1700 Jefferson in Oakland. The buyer is looking to make offers at adjacent properties as well which would significantly affect the design and evaluation of remediation alternatives. Because of this, we're requesting a 30 day extension for submittal of the data gaps and pilot study work plan.

Thank you!
