Linda,

Thank you for claiming the site. I know you tried with little success last time.

Your request for an extension is approved to April 13, 2012.

Regards,  
Barb Jakub

Dear Barbara,

Two things: I believe I finally have the Geotracker account figured out and it is being claimed. We are working with EquoLogic to help us navigate this.

Also, I would like to request an extension for generating the Work Plan you requested in your December letter. I am requesting a one month extension to April 13, 2012.

Please let me know if this is acceptable to you.

Best,
