**Subject:** 3744 Depot Road uploads and deadline extension

Hello, Paresh:

I have just uploaded our work plan for R0161, 3744 Depot Road, Hayward, CA to both Geotracker and your ftp site. We intend to install two more monitoring wells and would like to include them in the first round of quarterly sampling, so we are respectfully requesting an extension to the first sampling round report deadline of October 30, 2008 (3rd Quarter). We will be better able to determine a time frame for sampling once we have scheduled the field work for this work plan. Please call me at (408) 559-1248 or email me at [piers@pierses.com](mailto:piers@pierses.com) if you have any questions or concerns.

Regards,
