Subject: Former BP 6002 - call from site owner

Paresh:

I have a voicemail from the owner of Former BP 6002 (Seminary Blvd Oakland), this is the woman who has been trying to refinance for months and is being held up because the NFA has not been finalized. In an ACEH letter to ARCADIS dated March 31, 2011 ACEH indicates they agree with ARCADIS' recommendation for closure and will notify us of the results of your evaluation within 180 days. We are now pushing 360 days. I understand you are trying to move out of oversight but your cases should not be put on hold because of this. It is unfair to have this woman's financial status in limbo because ACEH can't meet their own deadlines. I am trying to be patient with your situation but I am growing increasingly frustrated at the County's lack of response. Per my December 20, 2011 email is it possible to meet with you (your replacement? Your boss?) and discuss the status of my sites and the questions outlined in my December 20 email? To that list of questions/clarifications please add the following:

Former BP 11133 – (98th Ave Oakland) – ARCADIS submitted a request for closure for this site in the fourth quarter 2011. Historically ACEH has allowed us to stop semiannually monitoring at site where closure is being reviewed. I would like permission to stop monitoring at this site as well.

Regards,
Hollis
