Apex Project No. DUN01.001

Dear Ms. Drogos:

Apex Envirotech, Inc. (Apex) has been authorized by Duncan and Son Petroleum to submit this letter to request a response from the Alameda County Environmental Health Department (County) in reference to the report titled, *Additional Subsurface Investigation Results Report* (Report), dated October 8, 2004. Apex contacted Mr. Amir Gholami (assigned regulator to this project) several times and on March 15, 2005, Mr. Gholami responded via telephone stating the site was no longer assigned to him and to contact you. Apex would like to clarify who is the assigned regulator and Apex requests a response to the report so work can continue at the site.

Sincerely,

**APEX ENVIROTECH, INC.**
