Dear Donna:

You are authorized to speak to Mr. Papineau, and or, Mr. Armstrong regarding the above property. They have been working on this for the last four years for Davis Realty.

We are hoping to provide no further action regarding the issue. We are finalizing the sale of the property next month. I believe I have sent you the necessary documents you requested so the matter can be expedited.

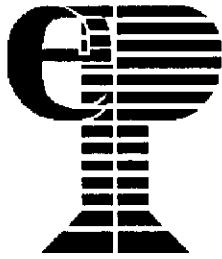

Thank you for your cooperation regarding this long going matter. If you have any further questions, please do not hesitate to call.

Sincerely,

Rosalie A. Guerrini

1723 Fruitvale Avenue Oakland, CA

I do wish to bring to your attention the fact that before your involvement in the case for 1723 Fruitvale Avenue, Mr. Don Hwang and Mr. Chuck Hedlee had conducted inter-agency consultation regarding the RWQCB's requirements for off-site source situations. I summarized the conclusion of that inter-agency consultation on page 3 of my letter.

Please let me know if I may be of further assistance.
