Peter,

Based upon your request, the schedule for submittal of the groundwater monitoring report for the above referenced site is extended to April 5, 2013.

Regards,
Jerry Wickham
Alameda County Environmental Health

Jerry,

Per our telephone conversation yesterday, I would like to request an extension of the due date for a groundwater monitoring report to April 5, 2013. As we discussed, the site is ordinarily sampled in December, but the sampling was delayed due to UST replacement construction activities.

Regards,

Peter Schaefer, CEG, CHG
